

Proposal Letter

To
Registrar
Cumilla University
Cumilla, 3506, Bangladesh

Dear sir,

We would like to thank you for meeting with us and discussing your university's software project development requirements. We look forward to collaborating with you, and developing software tailored to your needs. We deliver innovative, captivating results, and have developed this strategic approach tailored to your specific needs in mind.

Please find all the necessary details in this proposal so that you can start your software development adventure with us. The finer points, such as details information about all module (i.e., course registration, examination (regular/backlog/improvement) form fill-up, re-admission, Hall Admission ,attendance system, generating results, apply for all certificate/transcript, apply for caution money, apply for convocation, apply for student ID card, apply for library card, apply for institutional email), prices, delivery schedules, and related terms and conditions, are all included in this paper. We ask that you carefully read the proposal, electronically sign it, and then return it to us as soon as possible.

We would like to schedule a presentation with you so for us to be able to present to you our business with better detail. Please do contact us via email at ashik@nstu.edu.bd, or via phone at +8801836-350710 in order for us to explain and present the services we wish to provide.

Looking forward to hear from you soon.

Sincerely,

Prof. Dr. Md. Ashikur Rahman Khan
Dean, Faculty of Engineering and Technology
Chairman, Department of Information and Communication Engineering(ICE)
Director, ICT Cell, NSUT
Noakhali Science and Technology University
